Under Armour® True Wireless Flash X – Engineered by JBL®

In-Ear Sport Headphones

Features and Benefits

True Wireless for Sport

Cable-free design enables athletes to maximize each and every workout.

UA Waterproof Technology

IPX7 Sweat & Waterproof, these buds promise to withstand your most rigorous workout and any elements thrown your way.

JBL Charged Sound

Bold sound tuned for sport with rich bass to crush your workout.

Bionic Hearing

Using unique JBL sound and mic technology, Bionic Hearing allows you to hear your surroundings with two sound Technologies – TalkThru & Ambient Aware. With TalkThru Technology, music is lowered and speech is amplified so you can easily chat with a workout partner between sets. Ambient Aware delivers a more immersive music experience while increasing ambient sounds, providing the safety of hearing your surroundings.

50 Hours of Total Battery Life

Battery life can last for 10-hours per charge, but no need for concern if you're on-the-go. Simply recharge your earphones for another 40-hours playtime with the water-resistant, aluminum charging case. Type-C speed charging gets you fully charged earphones just in 2 hours.

Sport Flex Fit Ear Tips

Comfortable fin style ear tips that are easy to use for maximum security.

Passive Noise Cancellation

Eartip design provides a snug seal to limit background noise for ultimate focus.

Independent Earbuds

With Bluetooth 5.0, make a call or listen to music on either bud independently. No need to worry about switching or missing a connection.

Crystal Clear Calls with Dual Mics

Optimized quality powered by Dual Beamforming mics, and wind-blocking technology.

Google Fast Pairing

Hassle-free pairing with your device.*

* Android 6.0 or above supported devices

Aluminum Charging Case

Featuring a sleek, aluminum sliding design, the charging case has a fabric cord and ensures your headphones are recharged quickly and safely.
